TIGER WISHES

The GBC Men's Basketball team is celebrating 50 years by announcing a new program to help in and around their community.

The men's basketball team at Grace Bible College will celebrate its 50th year in the 2011-12 season. Over those last 50 years, the team has dedicated itself to helping others as part of its ministry. While visiting hospitals and orphanages, cutting firewood for the elderly, doing yard work, volunteering at shelters, donating presents at Christmas, speaking at youth camps, etc., the team wants to do more.

In 2011, the men's basketball team formally announced that they would begin "Tiger Wishes." Through "Tiger Wishes" the team will continue to look for ways to help in and around our community.

"While we know that the team has to attend classes, practice, and play ball games, we also know we cannot meet every need that is presented to us. We will continue to do all we can to help those that we can."
– Head Coach Gary Bailey
